Accommodation

Our students are accommodated with carefully-chosen host families, all of whom have been visited by our accommodation team. Each family receives *detailed instructions* regarding the care of students and we maintain regular contact with them throughout the students' stay.

Many families are within walking distance of the school and none is more than a short bus journey away.

In general, families accommodate only one student of any mother tongue unless by previous arrangement. Students are accommodated in single, twin or triple rooms. Families receive 24-hour contact numbers so they can contact the school in case of emergency. Students receive a Bray Language Centre *student identity card* with their host family contact details and our 24-hour contact numbers on it.

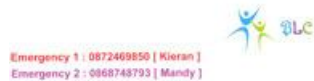

Hot lunches are available in Presentation College during July on payment of a supplement of €10 per day.
